

PREMIOS Y PATENTES

1989 1	- Established of shin-ah Electronics co., Ltd.
1992 11	- Registration of Trade business
12	- Export of Gas cooker USD600,000
1993 4	- Development of small sized air cleaner SA-1000
1994 12	- Development of medium sized air cleaner SA-3000
1996 10	- Development of artificial intelligent air cleaner SA-6000
1997 3	- Manufacturer Approval of first class electric supply
4	- Acquisition of Form Approval for SA-6000 from national technology and association
6	- Export of SA-6000 to SINGAPORE
11	- Participate in market exploitation group 4 countries of south America
1998 7	- Acquisition of air cleaner Utility Model patent (The patent Bureau)

PREMIOS Y PATENTES

2000	3	- Designated as exporter enterprise by SMBA
	6	- Participate in consumption goods exhibition of Beijing, China
	6	- Designated as exporter promising by SMBA
	7	- Designated as Venture Enterprise by SMBA
	8	- Selected excellent design product
2001	9	- Awarded a prize from SMBA (The 2 nd INNO-Tech show)
	9	- Built and moved head factory to shi-hwa complex
2002	2	- Acquisition Russia GOST Standard
	4	- Electrical product safety Certification obtained from KOREA Electric testing Institute
	11	- Designated as Venture Enterprise for 4 th time by SMBA
	12	- Utility Model patent obtained from KIPO

PREMIOS Y PATENTES

2000	3	- Designated as exporter enterprise by SMBA
	6	- Participate in consumption goods exhibition of Beijing, China
	6	- Designated as exporter promising by SMBA
	7	- Designated as Venture Enterprise by SMBA

	4	- Electrical product safety Certification obtained from KOREA Electric testing Institute
	11	- Designated as Venture Enterprise for 4 th time by SMBA
	12	- Utility Model patent obtained from KIPO

PREMIOS Y PATENTES

2003	2	- Patent registered for emission of perfume by KIPO
	2	- Designated as exporter enterprise by SMBA
	4	- CA mark approved by KOREA air purification association
	4	- QS-9000 certification obtained from CRS certification Institute
	5	- Electrical Products Safety certification obtained from Korea electric Testing Institute
	6	-Utility model patent registered for Photo-catalysis Air-filter from KIPO
	7	- Designated as business for export support by kyung gi-do
	12	- Venture design award acquired from KOREA institute of Design promotion

PREMIOS Y PATENTES

2004	1	- Utility model patent registered for oxygen generator using Hollow fiber membrane from KIPO
	8	- Utility model patent registered for Dispenser Installation on oxygen generator from KIPO
	9	- Good Design mark obtained for SA-2500
	12	- Silver prize from KOREA patent Technology Exhibition 2004
2005	1	- Participated in CES show at Las Vegas, USA
	5	- Utility model patent registered for air purifier with oxygen generator
	5	- Selected excellent design product for SA-11000
	5	- Selected success design product of 2005 from KOREA institute of Design promotion
	7	- Registered design of oxygen generator from KIPO

PREMIOS Y PATENTES

2005 10	- Acquisition of ETL SEMKO by INTERTEK
12	- Gold prize for SA-2500 design from KOREA latent technology exhibition 2005
2006 1	- Acquisition of certificate of manufacturer from KOREA food & drugs Administration
3	- Participate in CES show at Las Vegas, USA
3	- Registered patent of devise for suppression of noise on oxygen generator and Air purifier with oxygen generator
3	- Registered patent of devise for eliminate the moisture on oxygen generator
11	- INNO-biz company
2007 10	- Clean place of business certification
11	- Venture business confirmation (KIBO)
12	- Korea invention patent exhibition (silver prize)

PREMIOS Y PATENTES

2008	4	- Participate in consumption goods exhibition of Tokyo
	12	- GMP fitness certificate (KFDA)
2009	12	- IECC CB certification registration
2010	11	- Participate in Green Trade Promotion group of JAPAN
2011	12	- Renewal of a contract (KOREA food & drug Administration Certificate (KFDA))
2012	11	- Participate in export market development group of Latvia & Poland
2013	5	- Gyeong gi-do electron trade Frontier company choice
	6	- Participate in export market development group of Chile & Brazil
2014	12	- Renewal of a contract (KOREA food & drug Administration Certificate (KFDA))
2015	05	-Certificate of merit (Governor of Gyeonggi province)
2016	12	-Certificate of russia CU(EAC) standard

PREMIOS Y PATENTES

2017 12	-Renewal of a contract (KOREA food & drug Administration Certificate (KFDA))
2018 10	-ISO 14001 Certification Registration
2018 11	--INNO-biz company
2018 12	- Design registration certificate NO. 30-985094
2018 12	-Good Design mark obtained for SA-17001
2019 6	-CA mark approved by KOREA air purification association
2019 7	-Design registration certificate NO. 30-1016082
2019 10	-Design registration certificate NO. 30-1029505
2020 1	-Promising Environmental Enterprise Certificate (Governor of Gyeonggi province)
2020 1	-Patent NO. 10-2074131 (the oxygen and the purified air providing system)

PREMIOS Y PATENTES

TECHNOLOGY

- Can use it semi-permanently, because direct designed anion system circuit
- Acquisition of Utility model patent separation form of electrostatic precipitation board.
- Development various sensor to the air cleaner of artificial intelligence S/W program and H/W
- Development of spearhead air sterilizer.
- Development of photo-catalyst air filter.
- Acquisition of patent for emission of perfume

PREMIOS Y PATENTES

MAIN LINES (KEY PRODUCTS)

- SA-6000 (AIRION state-of -the artificial intelligent Air purifier)
- SA-9000 (AIRION state-of -the artificial intelligent Air purifier)
- SA-9500(R,B) (AIRION Air purifier with advanced artificial intelligence)
- SA-9502(R,B) (AIRION Air purifier with integral oxygen generation)
- SA-2500 (Personal oxygen generator) OXY FARM
- SA-11000 (AIRION state-of-the artificial intelligent Air purifier)
- SA-13000 (Super Deluxe Air purifier with Advanced Artificial intelligence)
- SA-13001 (Super Deluxe Air purifier with Oxygen Generation)
- SA-500H (Super Deluxe Air purifier with Advanced Artificial intelligence)
- SA-600 (NEW AIRION Air sterilizer)

CERTIFICATE OF PATENT

2003 2	PATENT NO. 037552 - The preparation of sustained release gel for air purifier
2006 3	PATENT NO. 10-0566117 - Separation devise for O2 and N2, and eliminate the moisture on that devise
2006 3	PATENT NO. 10-056616 - Suppression of noise method and devise for Oxygen generator and Oxygen generator with Air purifier
2020. 1	PATENT NO. . 10-2074131 -the oxygen and the purified air providing system

PREMIOS Y PATENTES

CERTIFICATE OF UTILITY MODEL REGISTRATION

1998 7	PATENT NO. 127816 - Air purifier
2002 12	PATENT NO. 0300557 - Multi purpose anion generator
2003 6	PATENT NO. 0318828 - Photo-catalyst air filter for purifier
2004 1	PATENT NO. 0338487 - Oxygen generator using hollow fiber membrane
2004 8	PATENT NO. 0359292 - Dispenser installation on oxygen generator
2005 5	PATENT NO. 0384033 - Air purifier with Oxygen generator

APPROVAL AND CERTIFICATION

1998	QS-9000 from CRS registrars, INC.
1998 10	Declaration of conformity for Air cleaner SA-6000 from CE
1999 5	Declaration of conformity for Air cleaner SA-3000/ SA-3001 from CE
2000 11	Attestation of conformity for SA-6000, SA-5000 from TUV
2002 1	Acquired of certification Russian GOST
2003 5	Electrical products safety certification obtained from KOREA Electric Testing Institute
2005 10	Verification of conformity with European Low Voltage directive from ETL SEMKO
2005 12	Certificate of manufacturer from KOREA food and drug administration
2005 12	Verification of conformity with EMC directive from ETL SEMKO

PREMIOS Y PATENTES

APPROVAL AND CERTIFICATION

2006 2	KOREA food & drug Administration Certificate (KFDA)
2006 4	ISO 9001 Certification Registration
2008 12	GMP fitness certificate (KFDA)
2009 12	IECC CB certification registration
2011 12	Renewal of a contract (KOREA food & drug Administration Certificate (KFDA))
2014 12	Renewal of a contract (KOREA food & drug Administration Certificate (KFDA))
2016 12	Certificate of RUSSIA CU (EAC) standard
2017 12	Renewal of a contract (KOREA food & drug Administration Certificate (KFDA))
